Service Hours for Students

As part of our new cabin system this year we have introduced an opportunity for us to recognize our students who serve their community. Your student should have received a service hour tracker from their teacher. Service hours can be earned by helping out at local charities, churches, picking up in the neighborhood, assisting an elderly neighbor, or any other activity that is being done for the benefit of others.

1.4K

Once a student has earned their 10 hours, we will recognize their efforts there, and give them a sticker to add to their cabin's tracker in the hallway. The cabins are in a competition to see who can get the most stickers, so earn those hours! Students can turn in as many tracking sheets as they can earn, and will get a sticker for each one.

Thank you for helping teach our students the joy of helping others!

Valograms-Volunteers Needed!

Before school and at lunch Valogram sales start on Monday! Valograms are \$1 each cash (small bills appreciated!), or full class sets may be purchased online at lindseypta.org.

WE NEED VOLUNTEERS! There are many slots still open. We are asking all 6th grade families to sign up for at least one slot. We need two adults per slot or the slot will be canceled. Valograms are the main fundraiser for our 6th graders helping to provide for their Promotion activities!

Reminders From The Nurse

AISD policy regarding illness

- Children CAN have cough drops and peppermints in their bag to use, but any other medications must be properly checked in with me.
- Your child must be fever free without the use of medication for a full 24 hours before returning to school
- Your child must be free from diarrhea for 24 hours before returning to school.
- If diagnosed with Pink Eye, your child must be on antibiotic drops for a full 24 hours before returning to school
- Please remember to send a change of clothes in your child's backpack regardless of age/grade

We are seeing too many illnesses that should be staying at home. Thank you so much for your support!!

Reminders when sending in an absence note

1.4K

1. When sending in an absence note, you must include a note from home, Skyward or handwritten note.
2. Only need to send one form of communication regarding their child's absences (Email with a picture of a handwritten note, Skyward or handwritten note).
3. Per state law, you have 3 days to send in their request for it to be excused.

Attendance

Automated Absent Messaging

Parents,

Beginning Monday, December 4, when your child is absent, you will receive an email and text message notifying you. This is an automated message that will be sent out daily at 10:30 a.m.

The phone number the text messages will come from will be 54968 or 60680.

When your child is absent, we request you send an Absence Note to us as soon as you can. Visit AllenISD.org/Absent for more information on how to submit that information.

Thank you!

Attendance Counts!

Regular attendance at school is extremely important for our students to ensure their consistent academic growth throughout the year. Absences should be kept to a minimum, unless it is for an excusable reason such as an illness or family emergency. Family trips are not considered excusable, even with a parent note.

If a student is ill, running a fever, or has other symptoms of a communicable illness, please keep them home! You can send in a hand written note upon their return and the absences will be considered excused. If the nurse sends a student home, those absences will be excused for the time period that they give the parent. If you visit a doctor, please send in a note with directions upon the student's return. [Please see the student handbook for more information on excusing absences.](#)

If a student is absent for an unexcused reason for 3 or more days, or parts of days, in a 4 week period or 5 days in the year, the school will implement truancy prevention measures. At 7 unexcused absences, the school may take families to our truancy tribunal, and at 10 unexcused absences the school may file truancy charges.

We want to work with our families as much as possible, while emphasizing the importance of students being at school. If you have any questions about this, please reach out to our Assistant Principal, Lisa McMillen at lisa.mcmullen@allenisd.org

Thank you for you

Lunch

Parent Visitors at Lunch

Please use the [Sign Up Genius Link](#) below to sign up to join your student during lunch. Due to limited space on the stage, we are limiting visitors to 6 students per grade level per day, and each of those students can have up to 3 guests join them.

You can sign up for slots up to 2 weeks in advance. We ask that you do not sign up for more than one slot per week to maximize the number of families who are able to join us for lunch. This also allows our students to spend valuable time with their friends at lunch that help us work with them on their social and interpersonal skills.

When visiting for lunch, please remain on the stage with your student. We do not allow lunch visitors in the cafeteria or hallways due to security protocols. Our teachers love seeing our parents on campus during lunch, but please do not talk with them about student or classroom concerns during this time. If you have concerns you would like to discuss with your students' teacher, please email or call to schedule a conference time. This will help us keep your students' information private, allow us to give your concern our full attention, and allow our teachers to focus on the students under their care.

Lunch Reminders

Please send your students with their lunch in the morning whenever possible. We know several parents like to send warm food to their students, but the deliveries throughout the morning make it difficult for our office staff to complete their tasks.

If you do need to drop off a lunch, they need to be dropped off in time for the carts. **We will stop accepting lunches if they are not on time.** As a reminder, Kindergarten, 1st, 2nd and 5th grade lunches should be dropped off no later than 10:30. 3rd, 4th and 6th grade lunches should be dropped off no later than 11:30. Please let your students know that if they ever do not have a lunch from home that they can go through the lunch line to get food. We never want a student to go hungry!

Also, please consider using plastic containers, especially for our younger students. We have had three glass containers get dropped and break this week. This obviously causes a safety issue with the broken glass, as well as the loss of your container.

Thanks for the help!!!
